Participation in athletics is a valuable educational tool that provides lessons in teamwork, sportsmanship, and self-confidence. Research has continually shown that students participating in athletics show higher academic achievement and express greater satisfaction with their school experience.

Colleges and employers look favorably upon a strong co-curricular record as well as upon scholastic achievement. Consider taking advantage of the many athletic opportunities at Hoover High School.

PARENT/COACH COMMUNICATION GUIDE

Both parenting and coaching are extremely difficult vocations. By establishing and understanding of each position, we are better able to accept the actions of the other and provide greater benefit to children

Communications you should expect from your child's coach:

1. Philosophy of the coach
2. Expectations the coach has for your child as well as all the players on the squad
3. Locations and times of all practices and contests
4. Team requirements, i.e. practices, special equipment, out of season conditioning
5. Discipline that may result in the denial of your child's participation

Communication coaches expect from parents:

1. Concerns expressed directly to the coach
2. Notification to the coach of any schedule conflicts well in advance
3. Specific concerns with regard to the coach's philosophy and/or expectations

Appropriate concerns to discuss with coaches:

1. The treatment of your child, mentally and/or physically
2. Ways to help your child improve
3. Concerns about your child's behavior

Issues NOT appropriate to discuss with coaches:

1. Playing time
2. Team strategy
3. Play calling
4. *Other students/athletes*

When you have a concern to discuss with the coach, this is the recommended procedure you should follow:

1. Call to set up and appointment.
2. If the coach cannot be reached, call the athletic director (451-4064). A meeting will be set up for you.
3. NEVER attempt to confront a coach before or after contest or practice. These can be emotional times for both the parent and the coach. Meetings of this nature do not promote resolution. **No meeting will be scheduled until the day after the incident or contest.**

THE NEXT STEP

What a parent can do if the meeting with the coach did not provide a satisfactory resolution:

1. Call and set up an appointment with the Athletic Director (451-4064) to discuss the situation.
2. If you are still not satisfied set up an appointment with our Vice Principal in charge of Athletics (451-4000).
