

## HOOVER ATHLETICS SPORTS INFORMATION & PACKET

Hoover High School will continue to use FamilyID for all sports paperwork. This is a free service provided by Hoover High School. Once you register and complete the paperwork for your child or children, you will not have to register again, just update your information annually. Please follow the directions below on how to complete the paperwork. **Only Page 2, PREPARTICIPATION PHYSICAL EVALUATION CLEARANCE FORM, is to be returned to the Hoover Athletic Trainer.**

Go to this website: <https://www.familyid.com/organizations/hoover-high-school>  
There is also a link on the Hoover High School webpage, [www.hooverpates.org](http://www.hooverpates.org).

Register with FamilyID and complete the information for your child. Please sign your child up for the sports they intend to participate in. Once completed, an e-mail will be sent to the Hoover Athletic Department. Keep your login information as you will use this to update annually or if there are any changes. **FamilyID opens for 2017-18 on June 1, 2017.**

In order to be approved to participate, your child must be **registered with FamilyID** and turned in a **PREPARTICIPATION PHYSICAL EVALUATION CLEARANCE FORM**. A note from the physician is also acceptable. **All PREPARTICIPATION PHYSICAL EVALUATION forms must be dated ON or AFTER May 1, 2017.**

**Page 2, PREPARTICIPATION PHYSICAL EVALUATION CLEARANCE FORM, is to be turned into the Athletic Trainer. Do not leave in mailbox or with anyone else. Coaches will be notified as students are approved to participate.**

If you do not have access to a computer to register, please contact the Hoover Athletic Office and we can arrange access at school for you.
