

PRESENTING YOURSELF ON THE UC APPLICATION

Freshman

2020-2021

UNIVERSITY
OF
CALIFORNIA

This is a screen shot of the application showing the locations of the campuses. The map will display dependent on the resolution and screen size of the computer or mobile device.

The UC is one of the largest university systems in the world offering undergraduate and graduate programs on campuses located across the state.

Additional Notes for reference:

Campuses with medical centers:

- UC Davis
- UC Irvine
- UCLA
- UC San Diego
- UC San Francisco

Campuses with schools of law:

- UC Berkeley
- UC Davis
- UC Irvine
- UCLA
- UC Hastings College of Law (located in San Francisco)

Application timeline

Date/Deadline	Task
August 1	UC application opens
November 1-30	Submit UC application online
February-March	Notification of admission decisions
May 1	Statement of Intent to Register (SIR) deadline
May-June	Waitlist admission notification

- **Fall Admission Application:** Opens August 1. For other terms (winter/spring) go to: <https://admission.universityofcalifornia.edu/how-to-apply/dates-deadlines/>
- **Application Submission:** between November 1 and 30. Applicants must meet the deadline; late applications are rarely accepted.
- **Admission Decisions:** Campuses may begin to admit students as early as February 1, but most students will receive notification of admission via the campus' applicant portal during the month of March.
- **Waitlist Offers:** Some students may receive an offer to be placed on a waitlist at one or more campuses. If a waitlist offer is extended, applicants must respond by the stated deadline. UC campuses very rarely make exceptions for a late response.
- **Guarantee of Admission:** In mid-April, applicants who were identified as being in the Top 9% Statewide or Top 9% Local Context (ELC) and met/will meet all admission requirements, *but were not offered admission to any campus at which they applied*, will be sent an email message if another campus has space available to offer them a place. Guaranteed admission is only for California resident students in California high schools.
- **Statement of Intent to Register:** May 1 is the deadline to submit the Statement of Intent to Register (SIR) (accept an offer of admission) to **ONLY ONE** UC campus for all freshman admits who received an offer by April 1. Admit offers received after April 1 will include a corresponding SIR deadline. The SIR deposit is \$250.
- **Waitlist Decisions:** Early May to early July, campuses will notify applicants who accepted a place on the waitlist of the final decision on their application.

BE PREPARED

- Consider your major and campus options
- Get an unofficial copy of your transcripts
- Write your responses to the Personal Insight Questions
- Create a document outlining all your activities, awards and work/volunteer experience

- Begin preparing for the application now – don't wait until November.
- Students should research the campuses now and apply broadly across the system.
 - Learn about the majors offered and all the types of courses needed to earn the UC degree to be fully informed about graduation requirements and plan how long it may take to graduate.
 - Some majors have different names across the system, and may be located in different departments.
 - Some majors are not open to freshmen applicants, or for every term.
- Gather materials that will be needed: transcripts/academic records, list of current and planned courses, test scores, awards and honors, volunteer program timelines and hours, employment timeline and hours, etc.
- Responses to the personal insight questions are important.
 - Write responses early; refer to UC's online resources for writing tips, a worksheet, and a video to help get started.

Personal Insight Questions

Verification of application information

UNIVERSITY
OF
CALIFORNIA

Students must thoroughly complete all sections of the application and do so accurately. This is the student's opportunity to tell the admission staff about personal details that make each applicant unique.

Begin by reading the **Statement of Application Integrity**. Click on the link on the log-in page for the application, or go to:

<https://admissions.universityofcalifornia.edu/docs/StatementOfIntegrity.pdf>

Accuracy of Details:

- **Academic History:** MUST be accurately reported--all enrollment, every school/college, all courses and grades (even/especially if a course was repeated). If a student accepts an offer of admission, UC requires official academic records to verify the information reported.
- **“Additional Comments”** box in the Academic History section can be used to provide detailed information or explanations about specific academic issues – declining grades, course selection issues, etc.
- **Examination scores:**
 - SAT/ACT results, if reported, may be used in the admission review process
 - Report results for AP, IB, and International exams already completed and dates for planned exams (including A-Levels).
- **Activities/Awards:** Applicants should not exaggerate or fabricate awards or activities because the information submitted is subject to verification.
 - In fact, UC does verify information that students report on the application. It is critical that students do not misrepresent or falsify information, as this is a serious offense and will result in serious consequences. Honesty is the best policy.

You've already done the hard part — spending countless hours studying, taking tests, and pursuing your passions and interests. Now comes the exciting part: You get to brag about it.

[Start application](#)

What to expect

The application is about us getting to know what makes you, YOU — which means there are no right or wrong answers. The more you tell us about yourself, the better picture we'll have of you.

Take your time: We know our application can be a long process, but you can fill it out in as many sessions as you want. Just remember to click "Save & continue" at the bottom of each page before you take a break.

Keep track of your progress: As you go through the application, you'll see checkmarks indicating which pages you've completed.

What you'll need

Household income & family information: You may need to ask your parents or legal guardians for help on these questions — that's OK!

Transcripts & test scores: As you fill out the "Academic history" section, you should refer to your transcripts to help you enter your grades. You'll also need to report scores from any exams you've taken or plan to take (like the SAT and ACT).

Personal insight questions

Want a copy of the personal insight questions emailed to you? It's a good idea to work on them before you enter them in the application.

Requirements

UNIVERSITY
OF
CALIFORNIA

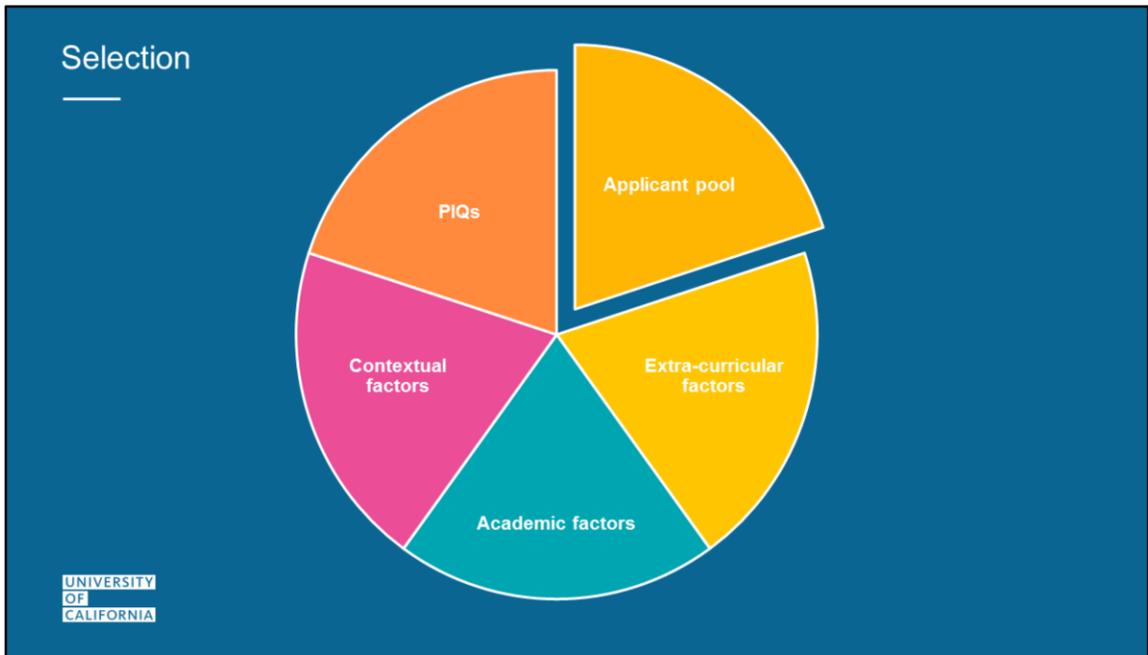

To qualify for freshman admission, students must meet UC's subject and GPA requirements:

- **Subject requirements**
 - Complete a specified pattern of college preparatory coursework known as the A-G pattern:
 - History/Social Science (A-requirement): 2 years
 - English (B-requirement): 4 years
 - Math (C-requirement): 3 years
 - Science (D-requirement): 2 years
 - Language other than English (E-requirement): 2 years
 - Visual and Performing Arts (F-requirement): 1 year
 - College-prep Electives (G-requirement): 1 year
 - Please note that these are the minimum number of courses needed; most applicants present additional courses in many of these areas. In order to be a more competitive applicant, we encourage the completion of additional approved courses in as many subject areas in which you are interested and/or as are available to you.
 - The UC approved (A-G) course list for California high schools can be found at: (<https://hs-articulation.ucop.edu/agcourselist>). [Note: UC does **not** review/approve courses from **outside of California**; nonresidents can however select any CA list to gain a sense of the types of courses acceptable to UC.]
 - **Changes to Area D:**

The final actions approved by the Academic Senate are:

 1. **Change the area D subject requirement name** from "Laboratory Science" to "Science" – although a lab is still required for each course.
 2. **Expand the options for science disciplines** that fulfill the third recommended year of the area D requirement to include computer science, engineering, and applied sciences.
 3. **Maintain status quo** for the area D requirement: 2 years required, 3 recommended
- **GPA requirement**
 - Earn a minimum GPA of 3.0 in all A-G courses
 - We calculate your GPA on all of your sophomore and junior year A-G courses including courses completed in summers after 9th, 10th and 11th grades; not just on the minimums.
 - Non-residents of CA need a minimum 3.40 GPA.

Campuses use multiple factors when selecting students. The way in which campuses select students varies, and it is to the student's advantage to include as much information as possible on the application. Admission representatives want to know about the experiences, accomplishments, and challenges of every applicant.

Students should feel free to discuss their roles and responsibilities at work or in community service, share their stories in their PIQ responses, and talk about their educational journey. This is because every student is considered in the context of their own environment which includes, but is not limited to, school, family and geographic region. Students are also considered within the context of the applicant pool for each campus.

Each campus will complete their own individual review of the application independently of one another, which means that they're going to review the information in the application and select students without asking what the other campuses have decided. San Diego will not call Irvine and ask if they have admitted a certain student. Each campus selects students independently.

Comprehensive Review

CRITERIA INCLUDE:

- Academic Achievement
- Personal and School Context
- Special talent
- Life challenges
- Special circumstances

In general, campuses are looking for well qualified students who have taken advantage of the educational opportunities presented to them both inside and outside of the classroom.

The 14 faculty-approved comprehensive review criteria are:

- Grade-Point Average
- Test Scores, if submitted
- Courses Completed/Planned
- Honors Courses
- Top 9% Local Context (ELC)
- Quality of Senior-Year Program of Study
- Academic Opportunities in California High Schools
- Performance in Academic Subject Areas
- Achievements in Special Projects
- Improvement in Academic Performance
- Special Talents, Achievements, and Awards
- Participation in Educational Preparation Programs
- Academic Accomplishment Within Life Experiences
- Geographic Location

Campuses will also look at a student's achievement within the context of their educational environment and the resources and opportunities that were available to them. This is found in a number of areas of the application, not just in responses to the personal insight questions.

For more information on comprehensive review, please see: <https://admission.universityofcalifornia.edu/counselors/freshman/comprehensive-review/>

The basics

Statement of application integrity

We want all applicants to present themselves in the best possible light on their application, and we encourage applicants to seek help from friends, parents, counselors and teachers. However, UC expects all applicants to complete their own application material and ensure all information in the application is complete, accurate and truthful.

Create Your Account

- New users must enter a unique e-mail address and password
- Students should use an email account they will check AFTER graduation as well (preferably not a school email address)
- Applicants will use this same account if they apply again in the future
- If the student's family has multiple applicants or has future applicants, different e-mail addresses must be used for each applicant
- Passwords must be at least eight characters (and must include a combination of uppercase and lowercase letters, numbers, and symbols/special characters)
- Create a secret question/answer combination that will be easily remembered
- Be sure to keep login information safe
- Once "Create a New Account" is complete, an e-mail confirming the start of your application will be sent
- Campuses use e-mail to send critical, time-sensitive correspondence to applicants, so provide an e-mail address that is checked regularly and will be kept until enrolling in college
- Remember to adjust e-mail filters to accept mail from UC addresses

Students can select both a major and an alternate major, if available (alternate majors are not available at every campus).

If a campus is unable to offer the applicant a place in the first-choice major, they may consider them for an alternate major—be sure the alternate major is in a subject area that the student really wants to study (and in some cases, it should be in a different area of study than the primary major).

Note that not all campuses will consider students for an alternate major, and that some campuses may have restrictions on changing majors once admitted to that major.

- When entries for each grade level are complete, click save and continue.
- Repeat this process for each grade level, including 12th grade.
- 12th grade course grades will default to "IP – In Progress" and "PL – Planned". If students have already graduated and have senior year grades, manually enter each grade.
- For courses that are only one semester long, select "NO" for the term for which the course was not offered (e.g. Economics offered fall term, for spring term select "NO").
- Include all original courses/grades and enter repeated courses/grades for courses in which an original grade of D or F was earned and subsequently repeated.
- Students who attended more than one school should be sure to enter courses under the correct school.

Test Scores

In the Test Scores section, students report results of their AP, IB, and TOEFL/IELTS exams, if applicable.

International students can report their national or external examination results as well.

Advanced Placement & International Baccalaureate Exams:

- Scores can demonstrate academic mastery in individual subjects and can be used to satisfy freshman admission subject requirements not satisfied with coursework.
- Scores must be self-reported on the application. Don't worry about "low" scores, UC treats them as neutral but does acknowledge an attempt was made.
- Official AP/IB scores are **not** required until *after* a student has accepted an offer of admission; do not send scores at the time of application submission.
- AP scores are **not** shared among the campuses.

TOEFL/IELTS Exams:

- Official **TOEFL** scores can be submitted to ONE UC campus and the scores will be shared with all campuses to which the applicant applies. **NOTE:** IELTS scores must be sent to each campus.
- **Official TOEFL/IELTS score report must be submitted no later than January.**

Activities and awards

There are six categories in the Activities and Awards section of the application. Choose experiences that have meaning, illustrate interests, and/or demonstrate leadership. These are just a couple of examples of the questions in two of the categories.

- **Other coursework**- Academic courses that do not fit in the A-G categories of history/social science, English, math, laboratory science, language other than English (foreign language), and/or visual and performing art should be reported in this section. Examples include leadership courses or religion courses. Do not include non-academic courses, such as PE, office/teacher assistant, etc.
- **Educational preparation programs** – Programs include but are not limited to: AVID, Upward Bound, and Gear Up. A list of common programs appear in a drop-down menu. If a program is not included, manually enter it.
- **Community Service** – Consistent participation over time may indicate commitment and dedication.
- **Work Experience** – Demonstrates time management, responsibility and perhaps leadership.
- **Awards & Honors** – Awards which are significant in nature – county-wide, state-wide and national - indicate a high level of achievement with significant competition. School-based awards are more meaningful to readers if context is provided, such as “5th place out of 500 students” to earn award, but even “perfect attendance” can be insightful.
- **Extracurricular Activities** –Continued participation over time indicates passion, commitment, and sometimes leadership. Enter details about each activity.

Activities & Awards Tips:

- Don't use acronyms for names of clubs or awards: Spell them out and explain your level of involvement.
- Don't list the same activity in multiple areas (for instance, listing Honors Society in “Awards and Honors” and “Extracurricular Activities”), but make sure the most important activities are reflected in some way.
- If an applicant did not have the time/opportunity to participate in school and/or community activities, volunteer/paid employment, explain to application readers why – how else did the applicant use their time and was it a choice or a requirement, for example: caring for siblings, elder-care, commitment to doing homework (research projects, papers, etc.). We understand that students are gaining valuable life experience and consider that as part of our comprehensive review.

The PIQs should be used to share accomplishments, experiences, talents, decision-making, problem-solving and contextual information. Recall that individuals from around the world have been severely impacted by the COVID-19 pandemic. If you or your family has been significantly impacted, consider using the Additional Comments section to share any unusual, rare or exceptional information. The PIQs are best utilized to share individual student information to help admission readers hear the students in their own words, learn about the students achievement, perspective and environment that cannot or has not been shared in other parts of the application.

Personal insight questions

- Students should answer the questions that are most applicable to them.
- Remember that these are **personal** insight questions—about the student.
 - It is not an English essay.
 - Admission staff want to learn what the student did and why; what the student learned and how the student applied what was learned to aspects of their life.
 - Students should use “I” statements – I did this, I chose to do that, I learned about It’s their one opportunity to ensure we get to know them.
 - Information on impacts on COVID-19 could be discussed in the additional comments, to allow for students to use the PIQs to tell admission readers about themselves.

1. Describe an example of your leadership experience in which you have positively influenced others, helped resolve disputes, or contributed to group efforts over time.
2. Every person has a creative side, and it can be expressed in many ways: problem solving, original and innovative thinking, and artistically, to name a few. Describe how you express your creative side.
3. What would you say is your greatest talent or skill? How have you developed and demonstrated that talent over time?
4. Describe how you have taken advantage of a significant educational opportunity or worked to overcome an educational barrier you have faced.
5. Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic achievement?
6. Think about an academic subject that inspires you. Describe how you have furthered this interest inside and/or outside of the classroom.
7. What have you done to make your school or your community a better place?
8. Beyond what has already been shared in your application, what do you believe makes you stand out as a strong candidate for admissions to the University of California?

Fee waiver

You've qualified for a UC Application fee waiver.
The fee waiver allows you to apply to up to four campuses for free.

Would you like to accept the fee waiver? *

Yes No

We've applied your fee waiver to your campus selections.

Submit application for UC admissions

Before proceeding you must agree to the following:

- I reviewed my application in its entirety, and made all necessary updates and corrections. I understand that I won't be able to change most of the information in my application once I submit it. I am ready to pay and submit.

Submit my application

Application Fees:

- For U.S. citizens or permanent resident students, the application fee is \$70 per campus.
- For International and non-immigrant applicants the application fee is \$80 for each campus selected.
 - If an international or non-immigrant student currently attends school in the U.S., however, they may be eligible to pay the lower application fee of \$70 per campus.
- The application tool will advise of the fee amount on this page.

Fee Waiver:

A fee waiver is automatically calculated for California and domestic residents. The fee waiver calculator is activated from answers about the applicant's family size and income.

- If a fee waiver is granted, **the applicant must select "Yes" to accept the fee waiver.**
- If an applicant decides not to answer those questions, they *may* qualify for a fee waiver but would not receive one.

If the applicant makes a mistake on the family income amount, they can correct the information with an 'edit' button; eligibility for the fee waiver will automatically re-calculate with the revised information.

Fee Waiver Eligibility:

- For U.S. citizens or permanent residents or students who have attended a CA high school for at least 3 years, if students meet the low-income criteria used to qualify for free and reduced lunch, they will qualify for a UC application fee waiver for up to 4 campus choices but will be responsible for payment for any additional campus(es) to which they choose to apply.
- Students in California on a visa are not eligible for the UC application fee waiver.
- UC also accepts the College Board, ACT or NACAC fee waiver. Only one waiver may be used.

Payment:

- Application fee payment is required and non-refundable.
- Payment may be submitted by credit card in the application tool; **or** by mailing a check or fee waiver if a student didn't qualify for the UC application fee waiver but meets criteria established by the waiver provider.

I further understand that withholding information or giving false information or other misconduct prior to enrollment as described in the [UC Policy on Student Conduct and Discipline \(http://policy.ucop.edu/doc/2710530/PACAO5-100\)](#) and [UC Policy on Sexual Violence and Sexual Harassment \(http://policy.ucop.edu/doc/4000385/SVSH\)](#) may be cause for denial of admission, withdrawal of an admission offer, registration cancellation, expulsion, or revocation of a University of California degree.

Release authorizations and Statement of Integrity

The application cannot be submitted without the applicant's electronic signature and acknowledgement of the Statement of Integrity.

The Statement of Integrity is to affirm that all information in the application is accurate and the personal insight responses were written by the applicant. **If information is withheld, such as poor grades, or falsification is detected, the application is subject to cancellation.**

Signature Releases

- Review and check the release authorizations to share application information with scholarship agencies, parent/guardian, counselors and/or UC organizations and alumni groups.
- Electronically sign and date the application to verify accuracy and acknowledge that the applicant is the author of their personal insight responses.
- The electronic signature also authorizes the release of official examination score(s), if submitted, to all UC campuses to which the student applied.
- Information in the application is subject to verification. If an applicant is selected for verification, non-compliance will result in cancellation of the application and the application fee will not be refunded.
